Guide rails

For drive chassis
For routing drive chassis in the subrack.

Material:
- Aluminium

Supply includes:
- Press-fit pin

For installation depth mm | Packs of | Order No.
--------------------------|----------|-----------
160                       | 1        | 3686.989  

Note:
- Two guide rails are required for each drive chassis.
- Guide rails 4.4” for plastic drives, see page 122.

Also required:
- Assembly screws, packs of 100, order no. 3654.340, see page 164

PCB holder

For box type plug-in units
For fastening PCBs in box type plug-in units.

Material:
- PBTP, basic material to UL 94-V0

Supply includes:
- Assembly parts

Packs of | Order No.
